

APPLICATION FOR STUDENT AWARD FOR AN INNOVATIVE PROJECT/PRODUCT

Each April during World Creativity and Innovation Week, the Center for Creative Solutions awards area students for their project or product that demonstrates innovation. The winner(s) receive community recognition and a monetary prize. Any student is welcome to enter. A student or some else may submit the application. The project/product may be in any area, such as in technology, the arts, etc. For more information, you may contact the Center for Creative Solutions, a local non-profit organization, at creativity52@comcast.net

Student name(s): _____ Student(s)' grade(s): _____

Teacher/mentor/sponsor of student(s): _____

Name of organization or school: _____

Contact person and telephone number: _____

What was the inspiration for your project/product? Why did you begin?

What was the process? How did you begin? What steps did you take? Did anything surprise you? Were there any problems you had to overcome? How did you overcome those problems?
(If you need additional space, please attach it.)

What is the end result? (If you need additional space, please attach it.)

The completed application and any supporting documents or photographs may be emailed to creativity52@comcast.net, or mailed to the Center for Creative Solutions, 2912 North Regal Drive, La Porte, or posted on the website, CenterforCreativeSolutions.com. Applications are due by March 17, 2023.
